H&K CAPTURES LARGEST SINGLE DAY PENNDOT BID LETTING TOTAL IN COMPANY HISTORY

Skippack, PA - On Thursday, October 4, 2018, [H&K Group, Inc. \(H&K\)](#) acquired its largest single day [Pennsylvania Department of Transportation \(PennDOT\)](#) bid letting, totaling a combined value in excess of \$184,000,000. This figure shatters all previous single day public lettings and fittingly occurs during H&K's milestone 50th Anniversary year of business operations.

As lettings were announced on October 4th, H&K topped PennDOT's award list on four (4) separate public infrastructure projects in Berks, Lehigh and Montgomery counties. It is noteworthy that PennDOT's lettings were extremely competitive on all projects, and one of H&K's two Berks County awards on October 4th was the single largest PennDOT award to date in corporate history (in excess of \$168,000,000).

Not only does this single day PennDOT award total add to an already impressive H&K project backlog, but it also comes at a significant moment in H&K's history. With 2018 marking the corporation's 50th year of continuous business operations, H&K continues to revel in its rich history and traditions of excellence, innovation and success. October 4th's public award letting total exemplifies what a commitment to these H&K traditions continues to yield, and it now marks another in a long line of milestone moments in the corporation's timeline.
