## **H&K RANKS 24<sup>TH</sup> AMONG NATION'S TOP 100 CRUSHED STONE PRODUCERS**

Skippack, PA – In late June, 2023, [The U.S. Geological Survey \(USGS\)](#) released its list of the “Top 100 Producers of Crushed Stone in the United States.” Skippack, PA based H&K Group, Inc. (H&K) ranked 24<sup>th</sup> for production year 2021, climbing from 25<sup>th</sup> in the Nation one year prior.

This information was released by USGS Commodity Specialist, Jason Christopher Willett, and lists the leading U.S. construction materials/crushed stone producing companies in descending order of tonnage output for the year 2021. To see just how H&K stacked up against the other leading crushed stone producers in the U.S., [CLICK HERE](#).

According to USGS, more than 1.51 billion metric tons of crushed stone were produced across the U.S. in 2021. USGS estimates that 2021 tonnage to be valued at \$19.81 billion. Production was up 3.4 percent that year – an increase from the 1.46 billion metric tons produced in 2020.

H&K's [Materials Division](#) is the driving force behind the corporation's impressive aggregate production totals. Formed in 2005, this critical division currently oversees operation of [21 crushed stone quarries, one stone depot, one sand & gravel facility and 19 hot mix asphalt plants](#) strategically located across H&K's operational footprint.

We take this opportunity to extend warmest congratulations to the hard-working men and women of H&K's [Materials Division](#) for their tireless efforts to safely and efficiently produce and supply the Mid-Atlantic Region with vital H&K crushed stone products.

H&K Group, Inc. provides [heavy civil contracting and construction services](#), [construction and building materials](#), and associated [ancillary services](#) through 85 operations in three states including eastern PA, NJ and DE.
