## Construction & Building Materials

For over half a century, H&K Group, Inc. (H&K) has been refining our construction and building materials footprint to strategically provide our customers with the high quality products they demand at the lowest delivered cost. From aggregate products used for commercial applications: roads, highways, buildings and bridges, to residential applications: driveways, pathways, shed and patio foundations and more, no one in our business sector offers more products than H&K.

### Our Construction & Building Materials include:

- Crushed Stone, Sand & Gravel
- Asphalt
- Concrete Products
- Natural Stone Products
- Recycled Brick & Block
- Fill Material
- Biosoil, Topsoil & Mulch

H&K provides an efficient supply chain and ready access to the construction and building materials needed to get the job done. Facilities are strategically located across Pennsylvania, New Jersey and Delaware to serve the surrounding community, and material can also be hauled by tri-axle or delivered by rail.
