Project Info

The Pottstown Division of H&K Group, Inc. was selected by PennDOT District 6-0 in May 2023 to start a \$64,000,000 road and bridge rehabilitation project on SR 476 (the Blue Route). The project included milling and paving 16 miles of northbound and southbound lanes, shoulders, and ramps between I-76 (Schuylkill Expressway) and I-95.

Project Highlights

- Milling of approximately 955,000 SY's of existing asphalt and placing approx. 140,000 tons of asphalt.
- H&K's Pottstown Division also performed bridge rehabilitation and bridge jacking at various structures throughout the project, upgrading 20 storm water basins, rock clearing and scaling, and upgrades to the existing guiderail.
- Work on this project began in August of 2023, with milling and paving of both the Northbound and Southbound travel lanes. Expected completion of primary milling and paving effort is late 2024. Milling and paving of the shoulders and ramps will then commence, with expected completion in Spring/Summer 2025. Project completion date is November 2025.
