

DID YOU KNOW?

Transportation & Structures

H&K Group, Inc. (H&K) is a leader in the heavy civil construction marketplace. From the nation's first superhighway, the Pennsylvania Turnpike, to the region's interstate roadway systems and international airports, H&K builds the infrastructure systems that continue to move and grow our vibrant region. We are certified and pre-qualified by PennDOT, NJDOT, FAA (Federal Aviation Administration), and the PA & NJ Turnpike Commissions.

Our Transportation & Structures Services include:

- Highway & Bridge Construction
 - Earth Retention & Shotcrete
 - Airport Construction
 - Asphalt Milling & Paving
- & MORE**

With 19 hot mix asphalt plants and 26 crushed stone facilities strategically located throughout our service area, we have the resources to efficiently and cost-effectively supply our affiliate contracting companies with the construction materials needed to better serve our valued customers. Our network of construction material facilities also allows for off peak or night paving services if required.
