Today's heavy civil construction, building and site development marketplace demands smooth and efficient supply chain, lowest delivered cost and ready access to the decision makers that control project success and completion. Our customers and clients understand these metrics and consistently look to H&K Group, Inc. for the quality products and services they need - because we're exactly where they need us.

For over a half-century, we have developed and refined our business footprint to strategically serve eastern Pennsylvania and the adjoining three-state region. From construction and building materials to heavy civil construction services that provide key support to the site development, demolition, transportation, solid waste, design-build and environmental needs of our region, no one in our business sector offers MORE than H&K Group, Inc.

Welcome, and explore our LOCATIONS by Service or Product type.
